Dear Sir or Madam

Our school is supported by the German School Association Brussels VZW, a non-profit association under Belgian law.

The membership offers you the opportunity to have a significant influence on the organization of our school and school life. The membership also gives you the opportunity, to be elected to the Board of Directors and thus be at the forefront of the interests of our school.

At two general meetings per year, you as members of the School Association are informed about current issues like school development; the school budget is presented, discussed and voted on, among other things, you also vote on the amount of school fees.

The school association also hosts receptions twice a year. The agenda includes guest lectures by personalities of interest to the school and honoring long-standing employees. The receptions are a good opportunity to get to know our board members, employees and other members better.

Have we aroused your interest? Then please fill out this application form and send it by e-mail to: buchhaltung@idsb.eu
