Mensa fees for school year 2026/27 for the International German School Brussels

For **KiBi, primary school and grades 5+6 of secondary school**, school meals in the cafeteria must be booked through the Phidias parent portal at the beginning of each semester. Registration is opened in September and February, respectively, and this is communicated well in advance.

For KiBi, there is also the option to register throughout the year. For this booking only, cancellation is possible with two months' notice, effective at the end of the month.

Students in **grades 5–7** also have the alternative option of purchasing their daily lunch flexibly in with their payment cards (student ID cards) instead of committing to a fixed meal plan and eating it in the cafeteria.
